Pertaining to the
American Recovery and Reinvestment Act of 2009**

Larson Manufacturing

Larson Manufacturing, Brookings, SD, is the manufacturer of Larson storm doors and windows.

This manufacturer's certification statement provides the documentation needed to receive an energy tax credit for Larson Storm Doors under the American Recovery and Reinvestment Act of 2009. Per IRS news release IR-2009-44, this certification is valid for doors purchased prior to June 1, 2009, and directs homeowners and manufacturers to temporarily rely on guidance previously published in IRS Notice 2006-26.

Under [IRS Notice 2006-26](#), storm doors can qualify for tax credits when used in combination with entry doors. We certify that the following storm doors qualify under Internal Revenue Code Section 25C (c) (4) when used in combination with the entry doors listed below.
